ALCOHÓLICOS ANÓNIMOS

(425) 355-7541

God, grant me the serenity to accept the things I cannot change, courage to change the things I can, and wisdom to know the difference.

AA PREAMBLE:

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; we are self-supporting through our own contributions.

AA is not allied with any sect, denomination, politics, organization or institution, does not wish to engage in any controversy, neither endorses nor opposes any causes.

Our primary purpose is to stay sober and help other alcoholics achieve sobriety.

Reprinted with permission of the AA Grapevine Inc.

I am responsible -

**When anyone, anywhere reaches out for help,
I want the hand of AA always to be there.**

**And for that: I am responsible
